

A vibrant illustration of a beach scene. In the foreground, a wooden lounge chair sits on the sand. A large beach ball with red, yellow, and blue segments is positioned near the chair. Several palm trees with green fronds and brown trunks are scattered throughout the scene. In the background, a blue sky with white clouds and a sun is visible. Silhouettes of people are shown dancing and celebrating. The text 'Valentine's Beach Party' is written in a playful, pink and white font, enclosed in a white, hand-drawn frame.
