

Hopewell Avenue Public School Message – April 14th, 2023

Dear Hopewell Families,

Spring has sprung with the arrival of the beautiful weather this week. Our play structures are open and the flowers around our school are starting to bloom. Shorts weather is definitely upon us - speaking of shorts, our Hopewell Spring Spirit Wear is for sale from now until the 5th of May. New for this season are a zip hoodie and shorts. See below for the link and further details.

Below our #HAPShots have captured many events of our week - presentations by Rideauwood and Skills Ontario, Prism Club buttons in production, bannock, seed starters, community maquettes, MacSkimming, and literacy in action!

For those celebrating Orthodox Easter, we wish you a basket full of happiness, joy, and peace. For those celebrating Vaisakhi, best wishes for a year filled with abundance, health, and happiness.

Have a wonderful weekend. Bonne fin de semaine!

Sincerely,

Martina Sherwood & Sandy Miller
Principal & Vice-Principal

Intermediate News

Gauss Math Contest for Grade 7 and 8 Students

The Gauss Math Contest is on May 17th this year, and introduces students in Grades 7 and 8 to a broader perspective of mathematics in a fun, accessible way. Intriguing problems and a multiple-choice format make the Gauss contests a wonderful opportunity for all participants to grow their interest in and get curious about the power of math. Interested students are encouraged to let their math teacher or Ms. Neerhof know they would like to participate by April 20th. More information can be found [here](#).

Skills Ontario Presentations

Grade 7 and 8 Students participated in presentations with a representative from Skills Ontario on Thursday and Friday this week. The presentation included an overview of what the skilled trades are, why they are important, and some examples of possible careers. We appreciate the opportunity to learn more about this pathway!

Intermediate Yearbook Planning

Planning for an Intermediate Yearbook has begun! Students who are interested in contributing to this team were invited to join a brainstorming session this past Wednesday outside of Room 325. Interested students are asked to listen to announcements for the next meeting, or connect with Mr. Wood.

Luv2Groove for Intermediates

The Luv2Groove instructors are back this year and are running dance workshops for Grade 7 and 8 students next week! Students will have one session per day from Monday to Thursday. Students are reminded to bring appropriate footwear/attire and prepare to get their groove on.

Class Placements And Planning For 2023-2024

Our school team puts a great deal of thought and time into organizing classes. We consider a variety of criteria, putting the academic and social/emotional needs of each student as the highest priority.

Appreciating that the development of classes is a thoughtful process, if you feel you have a very special need to be considered or believe that we need to have additional information to best place your child, please put it in writing and address to: martina.sherwood@ocdsb.ca by Friday, April 21st, 2023. Please note: friend and teacher requests do not fall into this category and will not be considered.

Please also let the office know if your child will be leaving Hopewell in September 2023 as this will assist us with our projections for staffing purposes.

HOPEWELL SCHOOL COUNCIL NEWS

Hello Hopewell community -

Join us for our annual **Spring Yard clean** and **"Everything on Wheels" Bike-sale on 30 April!** We are thankful to the many of you who have already volunteered, and we hope many more will sign up to help that weekend.

Sunday is looking to be a great event with not just a Bike-sale and Yard clean, but there will be a Bake-sale, bike-tune ups, info from the City on bike safety and many more ideas in the works. Join us and reach out to Rebekka or our email.

Social Media and Your Kids

Do you wonder how your child is using social media? Join the OCDSB and [MediaSmarts](#) on Wednesday, April 19th for a virtual Speaker Series event that will help parents better understand how their kids are using social networking. Understanding the connected world of kids and teens can be challenging for parents. Adults do not communicate online in the same way as kids, and not necessarily on the same social media networks. This workshop will provide parents and caregivers with tips and tools to help their kids minimize negative experiences and maximize the positive opportunities that social media has to offer.

Date: Wednesday, April 19, 2023

Time: 6:30 p.m. - 7:45 p.m.

About the Speaker:

Matthew Johnson is the Director of Education for MediaSmarts, Canada's centre for digital media literacy. He is the architect of Access, Use, Understand, Create: Digital Media Literacy Framework for Canadian K-12 Schools and the author of many of MediaSmarts' parent, youth and classroom resources including Break the Fake, which returned the beloved house hippo to Canadian screens. He is a member of the Canadian Pediatric Society's Digital Health Task Force and has served as an expert on panels convened by the Sex Information & Education Council of Canada and the Information and Privacy Commissioner of Ontario's Strategic Priorities Advisory Committee.
