

Hopewell Avenue Public School Message – October 13th, 2023

Dear Hopewell Families,

We first want to acknowledge the impact of recent world events. Please know we are here to support and our commitment to provide a safe and caring environment for our school community is unwavering. Our school community is a special place and in times of challenge we draw strength from each other.

This week many students engaged in some special events. On Tuesday our Junior Soccer teams participated in a district tournament. Congratulations to both teams for representing Hopewell with pride. Thank you to coaches Meg Fracke and Cale Northey. A special thank you is extended to our intermediate student coaches, Adam, Fin, Jacob, Phoebe, Ria, and Robin. These students supported the team in all of the practices leading up to the tournament and their contribution is much appreciated.

Yesterday our Intermediate Cross Country Team represented our school at the district regional event and had a fabulous day wearing the Hopewell H. Thank you to Shari Cooper for leading the event!

Today was the launch of Pizza Fridays. While there was lots of captivating learning taking place throughout our building today, pizza may have won as the highlight. Over 900 slices of pizza were distributed during our first nutrition break thanks to many parent/guardian/student volunteers. A huge thank you to our School Council for bringing this together.

As always, #HAPShots are included in this message, capturing some highlights of our week.

Wishing everyone a wonderful weekend! Bonne fin de semaine!

Sincerely,

Martina Sherwood & Sandy Miller
Principal & Vice-Principal

Intermediate Activities

Virtual Ventures Coding Workshops

On Tuesday, EMF7C and EMF8C participated in the Coding Crossroads workshop. Thanks to Virtual Ventures for offering this great opportunity to explore these Science and Math coding expectations and for sharing their knowledge of micro:bits.

International Day of the Girl Conference

This past Wednesday, a group of Hopewell students had the amazing opportunity to attend this conference at the Science and Technology Museum. This event provided participants with the opportunity to hear from girls who are taking CO-OP or are in OYAP discuss their perspectives on how they perceive the skilled trades and technologies, why they are choosing to pursue these careers, their favourite tool, and what interests them. Discussions were led by women in the skilled trades.

Grade 8 News

It's that time of year already - students are beginning to discuss the transition to Grade 9! Presentations were kicked off today with learning about the [IB Programme at Colonel By](#). OCDSB to host Family Conference on November 4, 2023

Join us on Saturday, November 4, 2023, from 8:30 a.m. to 1:30 p.m. for the OCDSB Family Conference at Brookfield High School. This year's theme is *Educate, Engage, Empower - Enhancing Learning Together*.

We invite parents, caregivers, students and staff for this free, in-person event being organized by OCDSB's Parent Involvement Committee (PIC) and OCDSB's Family and Community Engagement (FACE).

It will feature Ontario's first Poet Laureate, noted author, inspirational speaker, arts educator, and community leader [Randell Adjei](#) as the keynote speaker. There will also be expert-led workshops by OCDSB staff and community partners on multiple topics with multilingual and sign-language support.
