

Giving Tuesday is Here
What if we all gave \$20 today?

Hopewell Ave PS! We're building fun!

Kindergarten teacher Miss Jill remembers dropping her son off for his first day of kindergarten in 2003 to a beautiful yard at Hopewell, one that had been built only 6 years before. Her son is grown up now and the yard has been much loved since then. The equipment has reached the end of its life now and the tiny yard has big drainage problems.

Last month, the only shade structure in the yard was removed as it was no longer structurally sound. We have no time to waste, a new yard is needed this year.

Together we can build a legacy. Your donation will help to build an amazing new natural playground for the next generation of Hopewell kids!

Will you join us in building the new kinder yard with a generous donation?

CHARITABLE IMPACT

Come build some fun with us!
-The Project SANDbox team

 hopewellsandbox@gmail.com

 Hopewell Ave PS School Council

 @hopewellsandbox

 hopewellSAND_box

http://hopewellaveps.ocdsb.ca/school_council

Together we can build a playground that includes:

- S: increased **S**hade
- A: improved **A**ccessibility
- N: **N**atural play elements
- D: proper **D**rainage

*And, of course,
an actual sandbox!*

Coming soon – watch for more fun(d)raisers:
